## AGENDA ITEM INFORMATION FORM

**Agenda Item:** Consider Resolution No. 07-10-14A Approving A Five-Year City/County Street Improvement Program

**Department:** Public Works

**Background/Description of Item:** Edgerton staff was approached by Johnson County Public Works regarding an interest in partnering together for a street maintenance project in 2015 through the County Assistance Road System (CARS) program. The CARS program provides funds to the cities of Johnson County to construct and maintain their major arterials. Each year the cities submit a 5-year road improvement plan to Johnson County. Using a scoring system, Johnson County selects projects and allocates funds. The County pays 50% of the project's construction and construction inspection costs. Cities are responsible for design, right-of-way, and utility relocation costs. Types of projects eligible for the CARS program are: Capacity Improvements (additional lanes), Major Maintenance (overlays, patching), System Management (intersection improvements, traffic signals, turn lanes), Bridges (replacement or rehabilitation), and Route Enhancements (sidewalks, bike paths, lights.)

The project suggested by Johnson County Public Works for 2015 includes Edgerton Road (207<sup>th</sup> Street to Nelson Street) and 207<sup>th</sup> Street (1/2 miles west of Edgerton Road to BNSF Railroad). The project is shaded green on the attached map.

Johnson County would administer their project and bid/let the project with their larger overlay project for 2015. This would likely afford Edgerton a better price by bundling the project with other county roadways and not require Edgerton to oversee any administration of the project.

Johnson County staff estimate the total project cost at \$169,678. CARS program would fund 50% or \$84,839. The remaining 50% would be split evenly between Johnson County and Edgerton. The total cost for the project for Edgerton would be \$42,419.50.

To apply for the CARS program, cities must submit a Resolution of Support from the Governing Body and a CARS Form A including the project details. Enclosed with the packet is both of those items. Resolution of Support was prepared and approved by City Attorney.

If the project is awarded funding in the 2015 CARS program, staff anticipates recommending the funding be allocated from the Special Highway Fund. The annual receipts of that fund match the funding needed for the project.

Prepared by: Beth Linn, City Administrator

Date: July 9, 2014

**RESOLUTION NO. 07-10-14A**

**A RESOLUTION APPROVING A FIVE-YEAR CITY/COUNTY STREET IMPROVEMENT PROGRAM**

**WHEREAS**, the City is desirous of obtaining County funds for certain street improvement projects within the City; and

**WHEREAS**, in order to have projects considered for the 2012-2016 CARS Program by the Johnson County Board of Commissioners, the Governing Body must submit a written five year road improvement program request; and

**WHEREAS**, all requests must be accompanied by a resolution which provides that included projects have been reviewed and approved by the Governing Body.

**NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS**, that the attached Five-Year City/County Street Improvement Program has been reviewed and approved for submittal to the Johnson County Board of Commissioners as the City's 2012-2016 CARS Program request.

This Resolution will become effective upon its adoption by the Governing Body.
