2016 Standard Traffic Ordinance and Uniform Public Offense Code Changes

The 2016 editions of the Standard Traffic Ordinance (STO) and the Uniform Public Offense Code (UPOC) are now available for cities to order. (See the order form in this month's KGI or find it online at www.lkm.org). This article describes the legislative changes to both publications and some changes made by the editor.

STO

The major changes to the STO this year are a result of State v. Ryce, 303 Kan. 899, 368 P.3d 342, 345 (2016) in which the Kansas Supreme Court found K.S.A. 2015 Supp. 8-1025 to be unconstitutional. K.S.A. 2015 Supp. 8-1025 criminalizes the refusal to submit to, or complete, a test or tests deemed consented to under K.S.A. 2015 Supp. 8-1001 to determine the presence of alcohol or drugs. The court held that regardless of implied consent laws, an individual has an expectation of privacy in his or her bodily substances and thus breath, blood and urine tests remain a search under the Fourth Amendment. As a general rule, warrantless searches are per se unreasonable. One exception to the general rule is when an individual gives his or her free and voluntary consent. Under the Fourth and Fourteenth Amendments, an individual's consent may not be coerced. When an individual faces criminal charges if he or she withdraws his or her consent to a search, the individual's consent is no longer freely and voluntarily given. While the court found the State does have compelling interests it seeks to protect through K.S.A. 2015 Supp. 8-1025, the statute is not narrowly tailored to serve the State's interests and thus is facially unconstitutional. In response to the holding in Ryce, the STO has been amended as follows to remove the following unconstitutional sections:

- Section 30(h)(2)(A) has been removed (Driving Under the Influence of Intoxicating Liquor or Drugs; Penalties)
- Section 30.1(m)(2)(B) has been removed (Driving Commercial Motor Vehicle Under the Influence of Intoxicating Liquor or Drugs; Penalties)
- Section 30.2(c)(2) has been removed (Preliminary Breath Test)
- Section 30.2.1. has been removed in its entirety (Refusal to Submit to Alcohol or Drug Testing)

Finally, Section 175.1 (Compression Release Engine Breaking System) has been amended to include the definition of compression release engine braking system within the section.

UPOC

In the UPOC definitions section 1.1 the following changes have been made:

- Under the Smoking Definition, the definition for a Medical Facility has been amended to remove “and any psychiatric hospital licensed under K.S.A. 75-3307b and amendments thereto” due to the fact that K.S.A. 75-3307b was repealed by S.B. 449.
- The definition for Juvenile Correctional Facility Officer or Employee has been removed.

In section 3.2(b)(2), (Battery Against a Law Enforcement Officer), the definition of Attorney has been amended to include City Attorney, Assistant City Attorney, City Prosecutor, and Assistant City Prosecutor. These positions are not listed in K.S.A. 21-5413 however, the editor found them to be appropriate under the general intent of the statute.

The passage of four bills- HB 2501, SB 133, HB 2462, and HB 2436- have resulted in the need to amend the UPOC this year.

- HB 2501 amends section 3.12(c) (Breach of Privacy) to include the following parties as exempt from prosecution for violations of an individual's privacy: a provider of an interactive computer service, as defined in 47 U.S.C. § 230, for content provided by another person; a radio common carrier, as defined in K.S.A. 66-1,143, and amendments thereto; and a local exchange carrier or telecommunications carrier as defined in K.S.A. 66-1,187, and amendments thereto.
- SB 133 amends section 5.8 (Purchase, Consumption or Possession of Alcoholic Liquor or Cereal Malt Beverage by a Minor) to provide immunity from prosecution for one or two persons under 21 if they are providing support to another person needing emergency medical services and law enforcement assistance. Immunity is provided if the one or two persons requests medical assistance on another person's behalf if they reasonably believe that person is in need of assistance and they are cooperative with emergency medical services personnel and law enforcement officers in providing that medical assistance.
- HB 2462 amends section 6.1 (Theft) by amending the definition of felony theft of property or services from a value of $1,000 to a value of $1,500. It is important to note that there are other crimes for which $1,000 remains the value at which the crime becomes a felony. HB 2462 only amended the definition for theft and made no changes to other crimes.
- HB 2436 amends section 10.14 (Operation of a Motorboat or Sailboat) by excluding any person operating a sailboat that does not have a motor and has an overall length of 16 feet, seven inches or less, while such person is enrolled in an instructor-led class from the requirements in 10.14.

All members who purchase a publication may request a red-line copy of the 2016 editions of the STO and/or UPOC, by sending an e-mail to Anna DeBusk at adebusk@lkm.org.

As always, it is important for city officials and staff to review every section that has changed in the STO and UPOC. Please feel free to contact me or another League attorney with any questions. We are happy to help.

The 2016 editions of the Standard Traffic Ordinance (STO) and the Uniform Public Offense Code (UPOC) are now available for cities to order. (See the order form in this month’s KJG or find it online at www.lkm.org) This article describes the legislative changes to both publications and some changes made by the editor.

STO

The major changes to the STO this year are a result of State v. Ryce, 303 Kan. 899, 368 P.3d 342, 345 (2016) in which the Kansas Supreme Court found K.S.A. 2015 Supp. 8-1025 to be unconstitutional. K.S.A. 2015 Supp. 8-1025 criminalizes the refusal to submit to, or complete, a test or tests deemed consented to under K.S.A. 2015 Supp. 8-1001 to determine the presence of alcohol or drugs. The court held that regardless of implied consent laws, an individual has an expectation of privacy in his or her bodily substances and thus breath, blood and urine tests remain a search under the Fourth Amendment. As a general rule, warrantless searches are per se unreasonable. One exception to the general rule is when an individual gives his or her free and voluntary consent. Under the Fourth and Fourteenth Amendments, an individual’s consent may not be coerced. When an individual faces criminal charges if he or she withdraws his or her consent to a search, the individual’s consent is no longer freely and voluntarily given. While the court found the State does have compelling interests it seeks to protect through K.S.A. 2015 Supp. 8-1025, the statute is not narrowly tailored to serve the State’s interests and thus is facially unconstitutional. In response to the holding in Ryce, the STO has been amended as follows to remove the following unconstitutional sections:

- Section 30(b)(2)(A) has been removed (Driving Under the Influence of Intoxicating Liquor or Drugs; Penalties)
- Section 30.1(n)(2)(B) has been removed (Driving Commercial Motor Vehicle Under the Influence of Intoxicating Liquor or Drugs; Penalties)
- Section 30.2(e)(2) has been removed (Preliminary Breath Test)
- Section 30.2.1. has been removed in its entirety (Refusal to Submit to Alcohol or Drug Testing)

Finally, Section 175.1 (Compression Release Engine Breaking System) has been amended to include the definition of compression release engine braking system within the section.

UPOC

In the UPOC definitions section 1.1 the following changes have been made:

- Under the Smoking Definition, the definition for a Medical Facility has been amended to remove “and any psychiatric hospital licensed under K.S.A. 75-3307b and amendments thereto” due to the fact that K.S.A. 75-3307b was repealed by S.B. 449.
- The definition for Juvenile Correctional Facility Officer or Employee has been removed.

In section 3.2(b)(2), (Battery Against a Law Enforcement Officer), the definition of Attorney has been amended to include City Attorney, Assistant City Attorney, City Prosecutor, and Assistant City Prosecutor. These positions are not listed in K.S.A. 21-5413 however, the editor found them to be appropriate under the general intent of the statute.

The passage of four bills- HB 2501, SB 133, HB 2462, and HB 2436- have resulted in the need to amend the UPOC this year.

- HB 2501 amends section 3.12(c) (Breach of Privacy) to include the following parties as exempt from prosecution for violations of an individual’s privacy: a provider of an interactive computer service, as defined in 47 U.S.C. § 230, for content provided by another person; a radio common carrier, as defined in K.S.A. 66-1,143, and amendments thereto; and a local exchange carrier or telecommunications carrier as defined in K.S.A. 66-1,187, and amendments thereto.
- SB 133 amends section 5.8 (Purchase, Consumption or Possession of Alcoholic Liquor or Cereal Malt Beverage by a Minor) to provide immunity from prosecution for one or two persons under 21 if they are providing support to another person needing emergency medical services and law enforcement assistance. Immunity is provided if the one or two persons requests medical assistance on another person’s behalf if they reasonably believe that person is in need of assistance and they are cooperative with emergency medical services personnel and law enforcement officers in providing that medical assistance.
- HB 2462 amends section 6.1 (Theft) by amending the definition of felony theft of property or services from a value of $1,000 to a value of $1,500. It is important to note that there are other crimes for which $1,000 remains the value at which the crime becomes a felony. HB 2462 only amended the definition for theft and made no changes to other crimes.
- HB 2436 amends section 10.14 (Operation of a Motorboat or Sailboat) by excluding any person operating a sailboat that does not have a motor and has an overall length of 16 feet, seven inches or less, while such person is enrolled in an instructor-led class from the requirements in 10.14.

All members who purchase a publication may request a red-line copy of the 2016 editions of the STO and/or UPOC, by sending an e-mail to Anna DeBusk at adebusk@lkm.org.

As always, it is important for city officials and staff to review every section that has changed in the STO and UPOC. Please feel free to contact me or another League attorney with any questions. We are happy to help.

**Department:** Administration

**Background/Description of Item:**
Staff recommends the City Council authorize the issuance of the City’s $245,000 General Obligation Bonds, Series 2016-B (the “2016-B Bonds”). The Series 2016-B Bonds are being issued subsequent to the City’s previously issued General Obligation Bonds, Series 2016 (the “Series 2016 Bonds”), to remedy a shortfall in Series 2016 Bond proceeds necessary to fund sewerage system improvements and related expenses.

Due to a problem with the required publications necessary to issue the Series 2016-B Bonds on the timeline originally planned, Ordinance No. 1033 and Resolution No. 09-08-16A repeal and supercede the prior Ordinance and Resolution related to this bond issue approved on August 25, 2016. The changes from the prior actions are necessary to meet the requirements of Kansas statutes, and delay the closing date from September 8 to September 15.

To effect this recommendation, the governing body is asked to take two actions:
1) Approve Ordinance No. 1033 authorizing the sale of the bonds; and
2) Approve Resolution No. 09-08-16A specifying the terms and conditions of the bonds.

Representatives of bond counsel (Gilmore & Bell) will be in attendance at the September 8 meeting to address any questions.

The Bonds shall bear interest at the above specified rates (computed on the basis of a 360-day year of twelve 30-day months) from the later of the Dated Date or the most recent Interest Payment Date to which interest has been paid on the Interest Payment Dates in the manner set forth in Section 204 hereof.

Each of the Bonds, as originally issued or issued upon transfer, exchange or substitution, shall be printed in accordance with the format required by the Attorney General of the State and shall be substantially in the form attached hereto as EXHIBIT A or as may be required by the Attorney General.
pursuant to the Notice of Systems of Registration for Kansas Municipal Bonds, 2 Kan. Reg. 921 (1983), in accordance with the Kansas Bond Registration Law, K.S.A. 10-620 et seq.

The Issuer reserves the right to appoint a successor Paying Agent or Bond Registrar by (a) filing with the Paying Agent or Bond Registrar then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent or Bond Registrar and appointing a successor, and (b) causing notice of appointment of the successor Paying Agent and Bond Registrar to be given by first class mail to each Owner. No resignation or removal of the Paying Agent or Bond Registrar shall become effective until a successor has been appointed and has accepted the duties of Paying Agent or Bond Registrar.

Every Paying Agent or Bond Registrar appointed hereunder shall at all times meet the requirements of K.S.A. 10-501 et seq. and K.S.A. 10-620 et seq., respectively.

Section 204.  Method and Place of Payment of the Bonds. The principal of, or Redemption Price, and interest on the Bonds shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal or Redemption Price of each Bond shall be paid at Maturity to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the principal office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) in the case of an interest payment to Cede & Co., by electronic transfer to such Owner upon written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank ABA routing number and account number to which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Owner of such Bond on the relevant Record Date and shall be payable to the Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the
proposed payment of such Defaulted Interest and the Special Record Date therefore to be mailed, by first class mail, postage prepaid, to each Owner of a Bond entitled to such notice at the address of such Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Bonds and at least annually shall forward a copy or summary of such records to the Issuer.

Section 205. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 206. Registration, Transfer and Exchange of Bonds. The Issuer covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Bond Registrar as herein provided. Each Bond when issued shall be registered in the name of the Owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the principal office of the Bond Registrar, the Bond Registrar shall transfer or exchange such Bond for a new Bond or Bonds in any Authorized Denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange.

Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner’s duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. The Issuer shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds provided for by this Bond Resolution and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Code § 3406, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Bonds.

The Issuer and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to Article III hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this Article II.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner’s
order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the
sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the
contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond
Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or
more in principal amount of the Bonds then Outstanding or any designated representative of such Owners
whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Bonds. Each of the
Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered,
shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Mayor,
attested by the manual or facsimile signature of the Clerk, and the seal of the Issuer shall be affixed
thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare
and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in
the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature
of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Bonds shall also
be registered in the office of the State Treasurer, which registration shall be evidenced by the
manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed
thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to
be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and
sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may
be signed by such persons who at the actual time of the execution of such Bond are the proper
officers to sign such Bond although at the date of such Bond such persons may not have been such
officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein
specified, and when duly executed, to deliver the Bonds to the Bond Registrar for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form
attached hereto as EXHIBIT A hereof, which shall be manually executed by an authorized officer or
employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the
certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond
shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any
purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar.
Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has
been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar
shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is
surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the
destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar
such security or indemnity as may be required by each of them, then, in the absence of notice to
the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the
Issuer shall execute and, upon the Issuer’s request, the Bond Registrar shall authenticate and
deliver, in exchange for or in lieu of such mutilated, destroyed, lost or stolen Bond, a new Bond
of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and
payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.
Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Bonds; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.
In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Official Statement. An Official Statement is hereby authorized to be prepared as necessary to conform to and describe the transaction. The Mayor and Clerk of the Issuer are hereby authorized to execute the Official Statement, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

Section 213. Sale of the Bonds – Bond Purchase Agreement. The Bond Purchase Agreement between the Issuer and the Purchaser is hereby ratified and approved. Pursuant to the Bond Purchase Agreement, the Issuer agrees to sell the Bonds to the Purchaser for the Purchase Price, upon the terms and conditions set forth therein.
ARTICLE III
REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Bonds will be subject to redemption and payment prior to their Stated Maturity on August 1, 2024, and thereafter, as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the Redemption Date.

Mandatory Redemption. The Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The taxes levied in Article IV hereof which are to be deposited into the Debt Service Account shall be sufficient to redeem, and the Issuer shall redeem on August 1 in each year, the following principal amounts of such Term Bonds:

<table>
<thead>
<tr>
<th>Principal Amount</th>
<th>Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>$185,000</td>
<td>2047</td>
</tr>
<tr>
<td>60,000</td>
<td>2048*</td>
</tr>
</tbody>
</table>

*Final Maturity

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine.
Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner’s duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the State Treasurer. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

(a) the Redemption Date;

(b) the Redemption Price;

(c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
(e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.
The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV
SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax; Transfer to Debt Service Account. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V
ESTABLISHMENT OF FUNDS AND ACCOUNTS
DEPOSIT AND APPLICATION OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following Funds and Accounts:

(a) Improvement Fund for General Obligation Bonds, Series 2016-B;

(b) Debt Service Account for General Obligation Bonds, Series 2016-B (within the Bond and Interest Fund);
The Funds and Accounts established herein shall be administered in accordance with the provisions of this Bond Resolution so long as the Bonds are Outstanding.

**Section 502. Deposit of Bond Proceeds.** The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds as follows:

(a) All accrued interest received from the sale of the Bonds and $6,594.58, representing a portion of the interest on the Bonds during construction of the Improvements, shall be deposited in the Debt Service Account.

(b) The remaining balance of the proceeds derived from the sale of the Bonds in the amount of $226,767.92 shall be deposited in the Improvement Fund.

**Section 503. Application of Moneys in the Improvement Fund.** Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor approved by the Governing Body and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the Governing Body; (b) paying interest on the Bonds during construction of the Improvements; (c) refunding the Refunded Interest; and (d) paying Costs of Issuance.

A portion of the moneys in the Improvement Fund in the amount of $1,000.00 shall be paid and transferred to the Series 2012A Paying Agent with instructions to apply such amount to the payment of the Refunded Interest on February 1, 2017.

Upon completion of the Improvements and refunding of the Refunded Interest, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

**Section 504. Substitution of Improvements; Reallocation of Proceeds.**

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Bonds provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the Governing Body in accordance with the laws of the State; (2) a resolution authorizing the use of the proceeds of the Bonds to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the Governing Body pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution to the transcript of proceedings for the Bonds to include the Substitute Improvements; and (4) the use of the proceeds of the Bonds to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Bonds under State or federal law.

(b) The Issuer may reallocate expenditure of Bond proceeds among all Improvements financed by the Bonds; provided the following conditions are met: (1) the reallocation is approved by the Governing Body; (2) the reallocation shall not cause the proceeds of the Bonds allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Bonds under State or federal law.

**Section 505. Application of Moneys in Debt Service Account.** All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due.
and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 506. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositaries shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and
compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer’s faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably
appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with Article III hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to Article VII hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Mayor and Clerk are hereby authorized and directed to execute the Disclosure Undertaking in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as further set forth in the Disclosure Undertaking, which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.
Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

(a) extend the maturity of any payment of principal or interest due upon any Bond;

(b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;

(c) permit preference or priority of any Bond over any other Bond; or

(d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.
Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

**Section 1003. Notices, Consents and Other Instruments by Owners.** Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been
pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee’s right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1008. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Repeal. Resolution No. 08-25-16B of the City adopted by the governing on August 25, 2016, is hereby repealed. This Bond Resolution shall supersede Resolution No. 08-25-16B.

Section 1010. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

CITY OF EDGERTON, KANSAS
COUNCIL AGENDA ITEM

Council Meeting Date: September 8, 2016

Agenda Item: Continuation of Public Hearing
Partial Assignment of Resolution of Intent

Subject: Completion of ELHC XIV, LLC Project

Hearing Notice Published: August 17, 2016 in the Gardner News

Summary:

The City has previously issued $38,500,000 in industrial revenue bonds for the benefit of ELHC XIV, a Kansas limited liability company ("ELHC XIV"), the proceeds of which were used to acquire, construct and equip an approximately 822,500 sq. ft. spec warehouse and distribution facility to be located at 19400 Montrose Street in Edgerton, Kansas (the “Project”). ELHC XIV subsequently subleased the Project to an Amazon affiliate.

ELHC XIV is requesting an additional $25 million in industrial revenue bonds to complete the Project. The additional bonds will be issued under the existing bond indenture.

Public Hearing

The City opened a public hearing on August 25, 2016. At that time, the cost-benefit analysis was not complete so the public hearing was continued to this meeting. A notice of the public hearing was published at least seven days prior to the August 25, 2016 meeting. Written notice of the continuation of the public hearing has also been provided to the County and the School District. The Council should take comments from the public. A new public hearing is required for the Project because the total cost of the Project has increased.

Cost-Benefit Report

Columbia Capital Management, LLC has prepared a cost-benefit report for the Project using the higher cost amount. The City should consider the cost-benefit report and ask any questions the Council may have about the report.

Partial Assignment of Resolution of Intent

The City previously adopted a Master Resolution of Intent for the benefit of Edgerton Land Holding Company, LLC (“Edgerton Land”) for constructing various projects in the Logistics Park-Kansas City, and provided for the issuance of up to $1,000,000,000 in industrial revenue bonds. The Master Resolution of Intent allows Edgerton Land to assign portions of the Master Resolution of Intent to various companies that locate within the park.

The City has previously assigned $38,500,000 of the Resolution of Intent to ELHC XIV for acquiring, constructing and equipping the Project. The partial assignment of the Master Resolution of Intent now being considered assigns an additional $25,000,000 of the Master Resolution of Intent to ELHC XIV for the purpose of completing the construction, acquisition and equipping of the Project.
RESOLUTION NO. 09-06-16B

RESOLUTION CONSENTING TO THE PARTIAL ASSIGNMENT OF A RESOLUTION OF INTENT FROM EDGERTON LAND HOLDING COMPANY, LLC TO ELHC XIV, LLC, OR ITS SUCCESSORS IN INTEREST

WHEREAS, the City of Edgerton, Kansas (the “City”), desires to promote, stimulate and develop the general welfare and economic prosperity of the City and its inhabitants and thereby to further promote, stimulate and develop the general welfare and economic prosperity of the State of Kansas; and

WHEREAS, the City is authorized and empowered under the provisions of K.S.A. 12-1740 to 12-1749d, inclusive (the “Act”), to issue industrial revenue bonds to pay the cost of certain facilities (as defined in the Act) for the purposes set forth in the Act and to lease such facilities to private persons, firms or corporations; and

WHEREAS, the City adopted Resolution No. 07-08-10A on July 8, 2010, as amended by Resolution No. 04-25-13A adopted on April 25, 2013 and Resolution No. 04-09-15A on April 9, 2015 (collectively, the “Resolution of Intent”) determining the intent of the City to issue its industrial revenue bonds in multiple series, the aggregate amount of all series not to exceed $1,000,000,000 (the “Bonds”), to finance the costs of acquiring, constructing, reconstructing, improving and equipping the Logistics Park Projects (as defined in the Resolution of Intent) for the benefit of Edgerton Land Holding Company, LLC (the “Developer”); and

WHEREAS, the Resolution of Intent permits the Developer, with the consent of the City, to assign a portion of its interest in the Resolution of Intent to another entity, thereby conferring on such entity the benefits of the Resolution of Intent and the proceedings related thereto; and

WHEREAS, the Developer has previously assigned $38,000,000 of its interest in the Resolution of Intent to ELHC XIV, LLC, a Kansas limited liability company (the “Company”), for the purposes of permitting the Company to acquire, construct and equip a commercial project, consisting of an approximately 822,500 sq. ft. warehouse and distribution facility (the “ELHC Project”), to be located at 19400 Montrose Street in Edgerton, Kansas; and

WHEREAS, the Developer desires to assign an additional $25,000,000 of its interest in the Resolution of Intent to the Company for the purpose of permitting the Company to complete the acquisition, construction and equipping of the ELHC Project; and

WHEREAS, the City desires to consent to such partial assignment of the Resolution of Intent to the Company.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS, AS FOLLOWS:

Section 1. Partial Assignment of Resolution of Intent. The Governing Body of the City hereby consents to the assignment by the Developer of $25,000,000 of the Developer’s interest in the Resolution of Intent to the Company for the purposes of completing the ELHC Project, which is a Logistics Park Project. The City agrees that the Company will now be entitled to the benefits of the Resolution of Intent to the same extent and on the same terms as the Developer with respect to the completion of the ELHC Project.
Section 2. Authorization to Proceed. The Company is authorized to proceed with the completion of the acquisition, construction and equipping of the ELHC Project, and to advance such funds as may be necessary to accomplish such purposes, and, to the extent permitted by law, the City will reimburse the Company for all expenditures paid or incurred therefor out of the proceeds of the Bonds.

RE: Revised Cost-Benefit Analysis for ELHC XIV, LLC

Dear Beth:

Please find attached the results of our cost-benefit analysis related to the projected property tax abatement to be granted by the City to applicant ELHC XIV, LLC, related to the construction of a 822,500 square foot distribution and warehousing facility in Logistics Park Kansas City (LPKC). The Edgerton City Council previously approved a property tax abatement for this project. This revised cost-benefit analysis reflects the tenant’s request for additional industrial revenue bond issuance authority resulting from increased build-out costs. The terms and conditions of the previously approved property tax abatement will not change.

The purpose of this analysis is to satisfy the City’s requirement pursuant to KSA 12-1749d or KSA 79-251(a)(1) to undertake a cost-benefit analysis before granting a property tax abatement. Consistent with City policy for development within LPKC, this analysis reflects the City’s previous decision to grant a 100% property tax abatement for 10 years with the applicant paying an annual payment-in-lieu-of-taxes equal to $0.21 per square foot on the building to be constructed.

Unlike our original analysis for this project, we now know the tenant for the project (Amazon) and have included information about their employment expectations at this site. This change is the driver of the material changes in this analysis versus our original report of June 2015.

BACKGROUND
As part of negotiations with the original master developer on the potential location of LPKC in Edgerton, the Edgerton City Council approved an incentives program that provides ten-year property tax abatements for projects locating in LPKC. The purpose of these abatements was to ensure that rents paid by the eventual users of buildings constructed by the master developer would be competitive against warehouse/distribution developments in Olathe, south Kansas City, Riverside and those located in other cities, including Dallas, Chicago, Memphis and Indianapolis. Like Edgerton, these communities also have incentives programs in place for warehouse and distribution facilities.
The original master developer reported—and its successor, NorthPoint Development/Edgerton Land Holding Company (ELHC) continues to make the argument—that, without the abatement incentives, large-scale warehouse and distribution facilities would not materialize in LPKC and certainly not at the pace of development LPKC has seen in recent years: the presence of the abatements was and is a necessary condition to the development of the project. This position is underscored by the economic development grant totaling $1.8 million the City made directly to Amazon as an inducement to locate in LPKC.

ABATEMENT MECHANICS

Under Kansas law, every ad valorem tax abatement is a 100% abatement. Cities granting an abatement have the right to negotiate payments-in-lieu-of-tax (PILOT) payments from the abatement beneficiary to reduce the effective value of the abatement to that party. PILOT payments are distributed by Kansas counties to all taxing jurisdictions affected by the abatement in the same proportion as regular property taxes.

Property tax abatements effectively defer a portion of the tax benefit on new development for a period of up to 10 years. Although property tax abatements can create a loss of status quo ante tax revenues for taxing jurisdictions, abatements at LPKC have a very limited impact on existing tax revenues. Because the vast majority of undeveloped land within the boundaries of LPKC is classified for property tax purposes as “farming or ranch operations,” status quo ante property taxes in the aggregate within LPKC tend to total less than $50 per acre per year.

ECONOMICS

The subject property is approximately 27.5 acres in size and will house an estimated 822,500 square foot distribution and warehousing facility with Amazon as the tenant. Pursuant to the City’s agreement with the master developer, this analysis assumes the City will provide the applicant with a 100% property tax abatement for 10 years. We have further assumed that, consistent with its agreement with the master developer, the City will impose a $0.21 per square foot per year PILOT, or $172,725 per year.

The table below reflects the immediate impact on property tax/PILOT receipts from the subject property, assuming a status quo ante tax burden of $50 per acre per year and based upon November 2015 levy rates published by Johnson County.

COST-BENEFIT ANALYSIS DETAILS AND ASSUMPTIONS

KSA 12-1749d(2) requires notification of anticipated abatements only to counties or school districts affected. As a result, our analysis focuses on financial impacts to the City, Johnson County and USD 231 Gardner/Edgerton Schools (the District). We have not calculated the cost-benefit on other taxing jurisdictions. State law also requires the analysis to include “the effect of the exemption on state revenues.” Our modeling includes such an estimate.

Our proprietary cost-benefit modeling relies on a number of key assumptions in the calculation of net present value benefit to the City, Johnson County and the District. Most of our assumptions are derived from public information, although some inputs are based upon dialogue with subject matter experts, including staff of the Kansas Department of Revenue. Some of these key assumptions include:

• An evaluation of the direct costs and benefits of the project. Columbia’s model does not include indirect or “spin-off” effects as a result of input-output multipliers.

• A ten-year analysis timeframe for each individual project, matching the maximum permitted term of the abatement.

• Direct costs to the City, the County, the school district and the State as estimated by Columbia based upon the financial reports, expert analysis and/or conversations with key staff members within those agencies and at the State of Kansas. Please note our analysis assumes the return of a school finance formula that provides aid to the District on a per pupil basis (see below).

• Where applicable, reliance upon statistical data as reported in the 2010 US Census.

• The use of a discount rate comprised of two components: a risk-free rate of return (the current yield of the on-the-run 10-year US Treasury) plus a risk premium of two (2) percent. The value of the discount rate is a proxy for the opportunity cost of the City (and other agencies) of foregoing the future property and/or sales tax revenues that would be generated by the development. Thought of another way, if the City had those revenues in hand and placed them in an alternative investment with the same risk characteristics, what would be its expected rate of return?

TREATMENT OF SCHOOL FINANCE FORMULA

As of the date of this analysis, the mechanics of public school finances in Kansas remain in flux. The Kansas legislature, through special session during the summer of 2016, resolved immediate judicial concerns about funding equity that might have delayed the start of the 2016/17 school year. But, lower Kansas courts have found that the current block grant funding mechanism is constitutionally flawed and falls hundreds of millions of dollars short of the amount of state aid to schools necessary to satisfy the “adequate”
funding requirement within the state constitution; appeals to that lower court ruling remain before the Kansas Supreme Court and are as yet unresolved.

For the purposes of our analysis, we have assumed the existence of a school funding formula that increases or decreases district state aid based upon the district's student enrollment. The district court’s findings on the funding adequacy issue were particularly critical of the current block grant formula’s failure to recognize and compensate schools for the impacts of changes in enrollment. Our cost-benefit modeling assumes a return to the capitation-based funding approach that has prevailed in Kansas since the 1990s.

For the treatment of costs in the model, we have assumed that the addition of one new child in the schools increases the District’s costs by an average cost to educate the remainder of the students currently within the District. (This approach is consistent with our treatment of new city and county residents on city and county budgets.) For small changes in student enrollment, this approach likely over-states the cost impact to the District: a District with 5,500 students is very likely to spend the same amount in the aggregate to educate those children as it would if its enrollment were 5,501 instead.

It is important to note that, under the state constitution, the obligation of funding public schools is fundamentally the State’s obligation. The majority of the local property tax levies imposed by the District automatically adjust to provide a level of funding prescribed by school funding laws or regulations. Put another way, as assessed valuations decline, property tax levy rates increase to produce required revenue; similarly, as assessed valuations increase, property tax levy levies roll-down to limit revenue collected. This is how, for instance, school districts are able to execute “no tax increase” bond issues—as assessed valuations increase, existing debt service levies produce higher property tax receipts, providing schools with additional financial resources to pay principal and interest on debt even though the levy rate itself has not changed.

The one exception to this general rule is the levy the District may impose for capital purposes. That levy is capped under current state law at eight mills. Because the District imposes the levy at the eight-mill limit, any reduction in assessed value in the District reduces tax dollars available to the District. Similarly, increases in assessed value produce more dollars for the purposes permitted related to that levy.

As demonstrated in the “Economics” section above, we expect most projects within LPKC to produce positive net property tax/PILOT revenues for the District (and all other taxing entities) compared to existing, undeveloped property, even during the term of the tax abatement on such projects.

**USING THE COST-BENEFIT MODELING RESULTS**

The output of the model is presented as the net present value benefit/(cost) of the project for the City, County and school district over the 10-year life of the abatement on each project. The net benefit (or, if negative, cost) of the incentive package is presented in today’s dollars. The estimated impact on State revenues is presented in nominal
(future value) terms. We also provide an estimated future value project contribution to the City’s Public Infrastructure Fund (PIF). While the modeling shows a significant net present value benefit to the City, it is important to note that the majority of the City’s net benefit is reinvested in LPKC through the PIF.

In the preparation of this cost-benefit analysis, Columbia has relied upon the information provided to it by applicant and has not independently verified or validated these data. The City must draw its own conclusions as to the reliability of these data.

Finally, the intent of this analysis and of the applicable statutes is to inform the governing body’s policy debate about the value of the abatement incentive it is providing to the applicant. The project’s generation of a net present value benefit to the agencies affected should be but one of the many factors in the governing body’s decision about whether and how much incentive to provide to any applicant.

Thank you in advance for your thoughtful consideration of the analysis attached. Please let me know if you have any questions.

Respectfully submitted,

**AGENDA ITEM INFORMATION FORM**

**Agenda Item:** Consider Ordinance No. 1034 Approving The Description And Survey Of Lands Necessary For Acquisition Of Easements Needed For Expansion Of The City’s Sanitary Sewer Collection System And Associated Improvements

**Department:** Utilities

**Background/Description of Item:** The City of Edgerton is constructing a new sanitary sewer pump station and force main to connect the residential area of Edgerton to Big Bull Creek Wastewater Treatment Facility. This project will also decommission the existing Edgerton Wastewater Treatment Plant. City Council approved the contract with Burns & McDonnell/CAS Constructors, including the GMP, earlier in 2016. Additionally, the City has acquired easements necessary from Johnson County Parks and Recreation District (JCPRD). The only remaining property owner along the force main route is owned by Mid States Materials, which operates the Edgerton Quarry.

Easements needed for the project were provided to Mid States Materials in June. Staff has met with representatives from Mid States Materials and continues to negotiate in good faith to acquire the necessary easements.

In an effort to meet the tight project schedule, staff requests that City Council approve this ordinance to complete the next step for remaining easements yet to be acquired for the project. Passing the ordinance does not prohibit the City from continuing to negotiate and/or acquire the easements. Staff will continue to negotiate easements and hopes to secure easements without the need to finish the condemnation process.

Draft Ordinance No. 1034 was prepared by City Attorney.
