

IHOP is coming to the travel plaza at 200th Street and Homestead Lane.

New Restaurants Coming to Edgerton

Edgerton will soon have a couple of new dining options! Whether you're craving a big stack of pancakes or a tasty sandwich and ice cream, there's something new coming your way.

This spring, downtown Edgerton is getting a brand-new eatery on Nelson Street. Scoopy's Cafe will be serving up ice cream and fresh sandwiches in a casual, laid-back atmosphere. Owner Randy Strickling says they are working hard to get the space ready for customers.

"Scoopy's is here in downtown Edgerton, walkable for most of our community," says Mayor Donald Roberts. "It's going to be a great addition to downtown, right across the street from The Greenspace!"

Also coming soon, an IHOP restaurant will open at the intersection of Homestead Lane and 200th Street. Known for its classic American breakfast and diner-style meals, IHOP aims to create a warm, family-friendly environment for both locals and visitors.

"IHOP is the classic breakfast spot and a great place for families to enjoy a meal together," says Roberts. "I hope everyone will support our local businesses and enjoy a meal out."

Both restaurants are aiming for a late spring opening. Watch the City's website and social media pages for information about opening dates and ribbon cuttings.

The City's Animal Control Officer makes every effort to return pets to their homes as quickly as possible. This is one of the reasons that registration is so important. If you have questions, please call Animal Control Officer Charlie Lydon at 913-893-6231.

From FD#1: Prepare for Wildfires

Wildfire season is upon us and so are the April burn bans for this part of Kansas. Consider taking some steps that can make your home safer during a wildfire. Choosing fire-resistant materials and limiting the amount of flammable vegetation within 100 feet of your home can reduce your risk.

Ensure your home and neighborhood have legible and clearly marked street names and numbers. Driveways should be at least 12 feet wide with a vertical clearance of 15 feet for emergency vehicle access.

If you have any questions, contact Johnson County FD#1 at 913-764-7635.

- Develop, discuss, and practice an emergency action plan with everyone in your home. Include details for handling pets, large animals, and livestock.
- Know two ways out of your neighborhood and have a predesignated meeting place.
- Always evacuate if you feel it's unsafe to stay—don't wait to receive an emergency notification if you feel threatened from a fire.
- Conduct an annual insurance policy checkup to adjust for local building costs, codes, and new renovations.
- Create or update a home inventory to help settle claims faster.
