City Council Action Item

Council Meeting Date: January 24, 2019

Department: Administration

**Agenda Item: CONSIDER APPROVAL OF 63-MONTH LEASE FOR TOSHIBA E-STUDIO3515AC DIGITAL PRINTER/COPIER**

**Background/Description of Item:**

The copier/printer/scanner at City Hall that is currently being used for the majority of the City's functions has not been operating at the level needed to efficiently provide services to the Edgerton community. This printer is currently in the middle of a multi-year lease, but the needs of the City are not being met. As such, in November 2018 staff went out to bid for a new printer capable of handling the workload, in particular towards the end of each month when bills and newsletters are printed in large volume during a short period of time. The requested specifications for the new printer are provided attached with this action item.

Five companies submitted a bid for at least one copier, with three of those companies submitting two separate copier bids. This provided staff a total of seven different copiers to choose from. Despite the limited requirements requested by staff for copier specifications every printer provided different options and incentives to choose from. Based on comparing total overall costs as well as conversations with Strategy, LLC, the City's IT consultant, staff is recommending the 63-month lease bid for the Toshiba E-Studio3515AC digital printer/copier.

The Toshiba is the second lowest bid, coming in at a total estimated cost of $24,382.89 over the life of the lease. The lowest bid was the Lexmark XC9235 provided by Logan Business Machines at $23,997.96. This is a difference of about $385.00 over the total life of the lease, however discussions with Strategy indicated that they recommended not going with Lexmark printers due to issues they have had with them in the past. Staff believes based on the minimal difference in price between the two machines and the increase in quality provided makes the Toshiba the most responsible purchase for City Hall.

Estimated costs for each printer bid were calculated by city staff using the base monthly rate provided in each bid and adding the average of the last three months of printer usage at City Hall for both black and white copies (5,419 Pages) and color copies (6,106 pages), so the estimates provided may not reflect the actual total cost or monthly rate, but it is as close as can be estimated.

Resolution Consenting to Supplemental Bond Documents

Summary:

The City adopted Resolution No. 10-22-15B evidencing the intent of the City to issue industrial revenue bonds for a project for Transpec Leasing Incorporated. The project consisted of constructing a 478,000 sq ft surface container storage lot, a 4,800 sq ft shop building and a 400 sq ft security building at the southwest corner of 191st and Waverley Road in Edgerton, Kansas. The City issued not to exceed $19 million in Series 2016 industrial revenue bonds for the project on July 14, 2016.

On August 9, 2018, the City approved Resolution 08-09-18A where the City approved an expansion to the Transpec Leasing Incorporated Project and stated its intent to amend the bond documents to provide for the expanded project at a later date.

Resolution:

The resolution authorizes the City to enter into a Supplemental Base Lease, a Supplemental Lease Agreement and a Supplemental Trust Indenture to amend the description of the Transpec project. The amended project will consist of acquiring, constructing, improving and equipping an approximately two million sq. ft. surface container storage lot, a 4,800 sq. ft. shop and storage building, two 400 sq. ft. security buildings, a fueling station, a container washout, and a 12,000 sq. ft. maintenance shop.

Transpec did not receive any property tax abatement for this project. The bonds were issued solely to provide Transpec with a sales tax exemption certificate for construction materials and equipment. The expansion portion of the project will also not receive any property tax abatement. Transpec will be entitled to use the project exemption certificate for the expansion project.

other requirements reasonably imposed by the Inspector and Chief to
insure the health and safety of residents in, on, or around the premises.

(9) All permit holders shall conspicuously display at the location for sales the
foregoing Subsection (c) of this Section pertaining to the discharge of
fireworks.

(10) If such sales will be made from a temporary structure or premises, the

the site shall be removed on or before July 7th. A bond, or check made
payable to the City, in the amount of one thousand dollars ($1,000) shall
be submitted no later than June 1st, which bond or check shall serve as an
assurance that the permit holder complies with the removal requirement.
