Regular Agenda

8. **Declaration.** Councilmember Lebakken mentioned an email Council received. Mayor stated he shared the email with staff, and he did communicate back with the resident as well.

9. **Public Comments.**

There were no public comments made. City Clerk Dusti Callahan read an emailed comment sent in by Mr. Jason Sowers, an unincorporated county resident. Mr. Sowers expressed his concern with the verbiage included as part of Item 13, using the word may to replace with something like, "will require this unless..." to the UDC regarding industrial or light industrial zoning directly abutting residential property. Mayor Roberts thanked Mr. Sowers for submitting his comment for Council.

10. **PROCLAMATION FOR APRIL AS FAIR HOUSING MONTH**

City Administrator, Beth Linn, read aloud the proclamation and Mayor Roberts proclaimed the month of April 2026 as Fair Housing Month. This is an annual process for the application process to qualify for CDBG grants.

11. **CONSIDER FACILITY USE AND MAINTENANCE AGREEMENT WITH EDGERTON COMMUNITY FOOD PANTRY**

Parks and Recreation Director, Levi Meyer, stated last March, the Edgerton Food Pantry during was approved to utilize space at Greenspace for storage for their operations. They have a new 501c status for the operation, which is the only change in the new agreement from the one in 2025. This agreement is valid for the rest of the calendar year beginning March 26, 2026, through December 31, 2026. Either party may elect not to renew with two months prior notice. Last year, City Council set the rent at \$2 for the entirety of that agreement year.

Councilmember Lebakken moved to approve, seconded by Councilmember Conus to approve Item 11 with a \$2 annual fee. The motion carried 4-0 by the following vote:

Yes: Longanecker, Conus, Lebakken, Malloy

The provided minutes are a summarization of the official actions and formal decisions of the referenced City Council Meeting. The law does not require meeting minutes to be a full and complete transcription of the meeting. Minutes are retained in accordance with State record retention and archiving laws.

Absent: Lewis

12. CONSIDER RENEWAL OF CORPORATE INSURANCE POLICY FOR APRIL 1, 2026, TO MARCH 31, 2027

City Administrator, Beth Linn, stated that included for this item is a summary that we have used for the last several years. Kevin O'Brien, with Reilly Insurance, is here to give explanation of changes.

Kevin O'Brien with Reilly Insurance is the broker for the City. He began by thanking staff for their hard work during the renewal process. He stated three years ago Council favored EMC Insurance because they had something called a dividend program for municipalities in Kansas. After they pay the claims for the policy year, they then refund the excess to the policyholder in that program. Last June, he presented a check for \$7,066 for the year 2024. For the year 2025, Mr. O'Brien presented Council with a dividend check of \$10,215.11.

He then moved onto the changes for the 2026-27 renewal period. He stated in general, we are still seeing premium increases. Property is not as bad as it used to be but there are increases in deductibles. In auto, there are increases due to higher repair costs and larger verdicts on jury awards. Cyber continues to pose a challenge because ransomware is an issue, and insurance companies are starting to see more impersonation claims, like money being paid for fraudulent invoices submitted to businesses. AI is playing a part in making that more difficult to control. Premiums for property are down even though we have increased values by 4%. The museum was not previously in the blanket coverage but is now included. There were no changes in equipment for General Liability, and that premium went down slightly.

He stated last year at end of year, we found out EMC considers inflatables as a mechanical amusement device, which is why Council has a page just for special events. He stated the City considered going back to Travelers to make sure inflatables were covered, but they could not get close to the price for wind and hail damage that EMC offers. The overall increase is approximately \$366 for renewals.

City Administrator, Beth Linn, gave a huge thanks to Kevin and his team. She stated it truly takes a village.

Councilmember Longanecker moved to approve, seconded by Councilmember Malloy to approve Item 12. The motion carried 4-0 by the following vote:

Yes: Longanecker, Conus, Lebakken, Malloy

Absent: Lewis

13. CONSIDER ORDINANCE NO. 2193 AMENDING ARTICLE 5 – INDUSTRIAL ZONING DISTRICTS – OF THE UNIFIED DEVELOPMENT CODE (UDC) OF THE CITY OF EDGERTON, KANSAS AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH.

The provided minutes are a summarization of the official actions and formal decisions of the referenced City Council Meeting. The law does not require meeting minutes to be a full and complete transcription of the meeting. Minutes are retained in accordance with State record retention and archiving laws.

Development Services Director, Zach Moore, stated that the UDC is intended to implement the planning goals and policies contained in the Envision Edgerton 2050 Comprehensive Plan, other planning documents, and policies of the City Council and Planning Commission. Mr. Moore addressed Mr. Sowers' comment. He stated he understands the concern, but the wording allows for flexibility based on a number of factors. If staff finds buffering to be needed, then it shall be required. The code does require different buffer types for uses adjacent with different types of properties. There is a scale the City uses in the UDC for these defining widths, plants, screening, heights, etc.

Councilmember Lebakken asked what specifically Mr. Sowers was referring to in the UDC. Mr. Moore stated that is on page 8 of Article 5 under section I, number 3, part D.

Mayor stated in his opinion, the City's codes on buffering are great compared to most. He recommended Council compare LPKC to other industrial parks. He pointed to Kubota as a great example, with a berm and lots of shrubbery.

City Administrator, Beth Linn, stated that a berm, instead of solid wall, shows there are many ways to make that transition. This allows creativity or flexibility.

Councilmember Longanecker moved to approve, seconded by Councilmember Malloy to approve Item 13. The motion carried 4-0 by the following vote:

Yes: Longanecker, Conus, Lebakken, Malloy

Absent: Lewis

14. Report by the City Administrator

- 2024-2025 Municipal Court Report

Assistant to the City Administrator, Kara Banks, reviewed the data from Municipal Court from the past two years. She stated the total warrants in 2024 was 71, and in 2025 was 50. The total number of citations in 2024 was 375, and the total in 2025 was 324. \$109,000 total fine fees in 2024 with a 90% compliance rate and \$88,530 total in fines for 2025 with a 94% compliance rate.

- Q1 Municipal Court Report

Ms. Banks presented the report, which shows there were 52 total citations for the first quarter in 2026. The average number of cases per docket is 43. There were 24 warrants issues, with 9 cleared and 2 recalled. \$25,931 in fines were ordered, and \$15,313 fines were collected. There is a 59% compliance rate.

The provided minutes are a summarization of the official actions and formal decisions of the referenced City Council Meeting. The law does not require meeting minutes to be a full and complete transcription of the meeting. Minutes are retained in accordance with State record retention and archiving laws.

City Council Action Item

Council Meeting Date: April 9, 2026

Department: Public Works

Agenda Item: Consider Resolution No. 04-09-26A Approving A Five-Year City/County Street Improvement Program 2027-2031.

Background/Description of Item:

Each year, the cities in Johnson County are invited to submit projects to be considered for the five-year city/county street improvement program through the County Assistance Road System (CARS) program. The CARS program provides funds to the cities of Johnson County to construct and maintain their major roadways.

Using a scoring system, Johnson County selects and allocates funds. The County pays 50% of the project's construction and construction inspection costs. Cities are responsible for design, right-of-way, and utility relocation cost. Types of projects eligible for the CARS program are: Capacity Improvements (additional lanes), Major Maintenance (overlays, patching), System Management (intersection improvements, traffic signals, turn lanes, etc.), Bridge (replacement or rehabilitation), and Route Enhancements (sidewalk, bike paths, street lighting, etc.)

Prior to Logistics Park Kansas City (LPKC), the City of Edgerton frequently did not participate in the CARS program due to the local match requirement to receive funding. With new sources of revenue available from LPKC and surrounding development, the City of Edgerton has identified potential projects to be submitted for consideration of the next annual 5-year CARS program. Staff is working with the City Engineer/BG Consultants to provide detailed project cost estimates and scopes for these projects. This additional information will be submitted with the CARS 2027-2031 Program Submission. The five-year City/County plan has flexibility to move projects throughout the plan years, as well as addition or removal of projects. For both projects the City portion will be funded by RHID.

2028 West 8th Street: W Braun/207th St to South City Limits Project

This project will reconstruct the existing gravel roadway with improved pavement designed to accommodate increased traffic volumes in the area. Improvements will enhance overall traffic flow while supporting continued development. The project also includes installation of stormwater and water infrastructure, addition of sidewalk and/or shared-use trail facilities, and other necessary supporting improvements to meet current design and safety standards.

2031 West Braun/207th Street: W 8th Street east to Grade Separation Project Limits

This project will reconstruct the existing roadway with improved pavement to support increased traffic demand and heavy truck usage. The improvements are intended to enhance

traffic operations and freight mobility within a key corridor. The project will also incorporate stormwater infrastructure, addition of sidewalk and/or shared-use trail facilities, and other supporting improvements as necessary to meet current design criteria and safety expectations.

Please find enclosed with the packet draft Resolution No. 04-09-26A, map of the location of the 2027-2031 CARS project, and CARS Form A for each project CARS submission.

City Attorney has not reviewed the ordinance, any revisions will be made prior to the final submission to the County.

RESOLUTION NO. 04-09-26A

A RESOLUTION OF THE CITY OF EDGERTON, KANSAS APPROVING A FIVE-YEAR CITY/COUNTY STREET IMPROVEMENT PROGRAM

WHEREAS, the City is desirous of obtaining County funds for certain street improvement projects within the City; and

WHEREAS, in order to have projects considered for the 2027-2031 CARS Program by the Johnson County Board of Commissioners, the Governing Body is required to submit a written five-year road improvement program request; and

WHEREAS, all such requests must be accompanied by a resolution which provides that included projects have been reviewed and approved by the Governing Body.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS, that the attached Five-Year City/County Street Improvement Program of the City of Edgerton has been reviewed and approved for submittal to the Johnson County Board of Commissioners as the City's 2027-2031 CARS Program request. This Resolution will become effective upon its adoption by the Governing Body.

ADOPTED BY THE CITY COUNCIL AND APPROVED BY THE MAYOR OF THE CITY OF EDGERTON, KANSAS ON THE 9th DAY OF April 2026.

City Council Action Item

Council Meeting Date: April 9, 2026

Department: Administration

Agenda Item: Consider Ordinance No. 2194 for Levying a City Retailers' Sales Tax in the amount of one percent (1%) for the purpose of obtaining funds for the repair and improvement of stormwater and street infrastructure.

Background/Description of Item:

On November 13, 2025, Edgerton City Council approved Resolution No. 11-13-2025C, the Special Election Ballot language for the STORMWATER & STREETS Special (dedicated) Sales Tax. On March 3, 2026, the qualified electors voted in favor of the Special Sales Tax. On March 12, 2026, the Johnson County Election Office provided the Final Certification of Election Results, and this was shared with the City Council at the March 12, 2026, City Council meeting.

This Ordinance (No. 2194) represents the final action required by the City Council before staff submits all necessary documentation to the Kansas Department of Revenue to initiate the process for the City of Edgerton to begin collecting the Special Sales Tax and to be eligible for distribution. Staff will then notify the Kansas Department of Revenue before July 1, 2026 of our request to levy the one percent (1%) City Retailers' Sales Tax. The tax collection will begin on October 1, 2026, with the first distribution to the City by the end of December 2026.

If approved, Ordinance No. 2194 will go into effect October 1, 2026.

The City Attorney has reviewed and approved the proposed ordinance.
