

Park Updates

Martin Creek Trail Renovations

The Martin Creek Park Trail project began on Monday, August 20, 2018. This project will address the subgrade issues, replace the surface asphalt throughout the park, make additional connections to the trail network within the park as well as the connection to Big Bull Creek with a pedestrian crossing at Sunflower Rd. During the construction, the park will remain open, however access to the trail network will be limited and/or closed when necessary. The project will be completed in phases, with phase 1 consisting of the removal of surface material and fixing the base/subgrade issues. Phase 2 will be the paving of the trail network in its entirety.

Ball Fields

The Martin Creek Park Ball Field renovations are complete! Our park staff has worked hard to renovate these fields for the community, so we ask that you please be respectful when using the fields. To reserve the fields, please stop by City Hall to fill out a form or call our Parks and Recreation Coordinator at 913.893.6231.

Shelter and Field Reservations

Whether you're looking for a shelter to host your next outdoor event or you're in need of an athletic field for your team's practices, Edgerton's Parks are a great fit. Visit EdgertonKS.org to fill out a reservation request form or contact the Parks and Recreation Coordinator at 913.893.6231.
