

A grand opening ceremony for The Greenspace is coming up in February!

Greenspace Ribbon Cutting & Grand Opening Celebration!

Join us in Downtown Edgerton for the grand opening of The Greenspace, a new community gathering place designed to bring people together in the heart of our community. Mark your calendars for **Saturday, February 22**, and join in the celebration as this exciting new facility opens its doors!

The festivities will kick off with a **ribbon-cutting ceremony at 10 a.m.** Guests can enjoy some cake and punch and explore the facility. This is the perfect opportunity for families, friends, and neighbors to come together and experience some of what The Greenspace has to offer.

"This will be the heart of our community," says Mayor Donald Roberts. "The Greenspace is a beautiful building that we can all be proud of! I'm excited for everyone to see what we've spent the last 18 months building."

During the grand opening, visitors will have the chance to sign up for a membership. Edgerton resident rates start at \$3 per day or \$15 per month. Check out details in the Recreation Activity Guide included with your utility bill this month.

Everyone is invited to this momentous occasion. Don't miss the chance to be a part of the first chapter of The Greenspace's history as a central hub for community connections. Come out on February 22 and make The Greenspace your new favorite gathering spot.

We can't wait to see you there!

Planning a major home improvement project this year?

Exterior, street-facing projects may qualify. Go to edgertonks.org/home-improvements-program to find out details or give us a call at City Hall. **You must have pre-approval to receive funding before work begins.** Applications are available now!

From FD#1: Space Heater Safety

When the weather turns cold, it can bring a chill into our homes. Portable space heaters have become a popular way to supplement central heating or heat one room. Two in five deaths in space heater fires involve portable electric space heaters. If you plan to use portable electric space heaters, make sure to follow these tips and recommendations.

If you have any questions, contact Johnson County FD#1 at 913-764-7635.

- Purchase a heater with the seal of a qualified testing laboratory.
- Keep the heater at least 3 feet away from anything that can burn, including people.
- Place the heater on a solid, flat surface.
- Make sure your heater has an auto shut-off to turn the heater off if it tips over.
- Keep space heaters out of the way of foot traffic.
- Never block an exit.
- Plug the heater directly into the wall outlet. Never use an extension cord.
- Space heaters should be turned off and unplugged when you leave the room or go to bed.

2025 LOW-COST ANIMAL VACCINE CLINIC

Saturday, March 15

8:00 a.m. - 1:30 p.m.

Community Hall, 404 E. Nelson Street

Edgerton's Animal Control Officer is hosting the annual Low-Cost Animal Vaccine Clinic on March 15 from 8:00 a.m. to 1:30 p.m. Rabies, distemper and microchips are available.

This clinic is for Edgerton residents only.

Residents can sign up for one 15 minute appointment, with up to four animals. Go to 2025petvaccineclinic.eventbrite.com to sign up or call City Hall at 913-893-6231, beginning February 3rd.

February Events

Public Meetings are held in-person in City Hall. Anyone wishing to speak must sign up upon arrival. Meetings start at 7pm.

Want to get meeting agendas, parks and recreation info, or other City announcements emailed directly to you? Sign up at edgertonks.org or by calling City Hall at 913-893-6231.
