

PREFACE

The Edgerton Municipal Code (Code), formerly known as City Code of Edgerton, Kansas, originally published by the League of Kansas Municipalities, has been kept current by regular supplementation by the Office of the City Clerk.

The Code is arranged in chapters, articles, and sections in a manner similar to the Kansas Statutes Annotated arrangement. Headnotes and footnotes are included; however these do not constitute a part of the Code and no implication or presumption of intent or construction is to be drawn therefrom.

Any section of this Code may be amended or repealed by ordinary ordinance by reference to the code section number as follows:

“Section 1-105 of the Code of Edgerton is hereby amended to read as follows: (the new provisions shall then be set out in full.)”

A new section not heretofore existing in the Code may be added as follows:

“The Code of the City of Edgerton is hereby amended by adding a section (or article or chapter which reads as follow: (the new provision shall be set out in full.).”

All sections or articles or chapters to be repealed shall be repealed by specific reference as follow:

“Section 1-105 (or article or chapter) of the Code of the City of Edgerton is hereby repealed.”

In parentheses following each section is a legislative history identifying the specific sources for the provisions of that section. A subject-matter index locates specific code provisions by individual section numbers.
