All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Notes then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Note Registrar.

office until delivery. Any Note may be signed by such persons who at the actual time of the execution of such Note are the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar. Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Note Resolution. Upon authentication, the Note Registrar shall deliver the Notes to the Bank upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Notes. If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Resolution equally and ratably with all other Outstanding Notes.

Section 209. Cancellation and Destruction of Notes Upon Payment. All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer

the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 211. Sale of the Notes – Note Purchase Agreement. The Mayor is hereby authorized to enter into the Note Purchase Agreement between the Issuer and the Bank in substantially the form submitted to the governing body concurrently with the adoption of this Note Resolution, with such changes therein as shall be approved by the Mayor, such officer's signature thereon being conclusive evidence of the approval thereof. Pursuant to the Note Purchase Agreement, the Issuer agrees to sell the Notes to the Bank for the Purchase Price, upon the terms and conditions set forth therein.

ARTICLE III

REDEMPTION OF NOTES

Section 301. Redemption by Issuer. At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Section 302. Selection of Notes to be Redeemed. Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption.

In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in this Section are met.

Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar, the State Treasurer and the Bank. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 10 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the identification numbers, if any, of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the identification number, if any, of the Notes being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.

ARTICLE IV

SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and interest from general obligation bonds of the Issuer and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer, shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Notes as and when the same become due, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Notes when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF NOTE PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Notes, there shall be created within the Treasury of the Issuer the following funds and accounts:

- (a) Improvement Fund for General Obligation Temporary Notes, Series 2022-A;
- (b) Debt Service Account for General Obligation Temporary Notes, Series 2022-A; and
- (c) Rebate Fund for General Obligation Temporary Notes, Series 2022-A.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Note Resolution so long as the Notes are Outstanding.

Section 502. Deposit of Note Proceeds and Other Moneys. The net proceeds received from the sale of the Notes and certain other funds shall be deposited simultaneously with the delivery of the Notes as follows:

- (a) All accrued interest received from the sale of the Notes shall be deposited in the Debt Service Account.
- (b) The remaining balance of the proceeds derived from the sale of the Notes, together with certain other funds of the Issuer in an aggregate amount sufficient to retire the Existing Notes, shall be deposited in the Improvement Fund.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) retiring the Existing Notes; (b) paying Costs of Issuance; and (c) transferring any amounts to the Rebate Fund required by this *Article V*. Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

- (a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Notes provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the governing body of the Issuer in accordance with the laws of the State; (2) a resolution authorizing the use of the proceeds of the Notes to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the governing body of the Issuer pursuant to this Section; (3) the Attorney General of the State has approved the amendment made by such resolution to the transcript of proceedings for the Notes to include the Substitute Improvements; and (4) the use of the proceeds of the Notes to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt

status of the Notes under State or federal law.

(b) The Issuer may reallocate expenditure of Note proceeds among all Improvements financed by the Notes; provided the following conditions are met: (1) the reallocation is approved by the governing body of the Issuer; (2) the reallocation shall not cause the proceeds of the Notes allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Notes under State or federal law.

Section 505. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Notes as and when the same become due and the usual and customary fees and expenses of the Note Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Notes and the fees and expenses of the Note Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent, if other than the Issuer, in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Note Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Notes were issued shall be transferred and paid into the Bond and Interest Fund.

Section 506. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Notes shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) of the Code in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Notes and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.

(c) Notwithstanding any other provision of this Note Resolution, including in particular *Article VII* hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Notes.

Section 507. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or

branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositaries shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Note Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may be credited to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner

to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with *Article III*. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that: it will comply with (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Notes will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Notes pursuant to *Article VII* hereof or any other provision of this Note Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE

Section 901. Exempt from Disclosure. The Issuer has not prepared an official statement or other offering document relating to the Notes and is relying on exemption to provide and disseminate such information contained in Section (d)(1) of the SEC Rule. In furtherance of such exemption, the Issuer certifies that: (a) the Bank has certified that the Notes are being issued in denominations of \$100,000 or more; and (b) the Notes are being sold to no more than thirty-five persons, each of whom the Bank reasonably believes: (1) has the knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the prospective investment and (2) is not purchasing for more than one account or with a view to distributing the Notes.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments.

The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution or ordinance of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Note;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;
- (c) permit preference or priority of any Note over any other Note; or
- (d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution or ordinance duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Notes among Improvements, to provide for Substitute Improvements, to conform this Note Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such amendatory or supplemental resolution or ordinance, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or ordinance or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners.

Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Bank may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The transactions described in this Note Resolution may be conducted, and documents related to the Notes may be sent, received, executed, and stored, by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

Section 1008. Governing Law. This Note Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Effective Date. This Note Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.
