REZONING INSTRUCTIONS

CERTIFIED LETTERS: The applicant will be responsible for mailing notices (see attached Property Owner Notification Letter) of the public hearing for the requested rezoning by certified mail, return receipt requested, to all owners of land within the notification area: two hundred (200) feet within the city limit, one thousand (1,000) feet in the unincorporated area of the subject property. These notices must be sent a minimum of twenty (20) days prior to the public hearing. Information regarding ownership

of the land within the notification area can be obtained from the Johnson County Department of Records and Tax Administration, or through a title insurance company (preferred method). A list of property owners within the notification area must be submitted with the application. In addition, the responsible fire protection district (if any), affected school districts, affected park districts and affected sanitary and/or drainage district shall appear on a separate list of notification. Additional parties, specified by the applicant, may appear on the notification list.

AFFIDAVIT OF COMPLIANCE: An affidavit (see attached Property Owner Notification Affidavit) concerning the mailing of property owner notification letters must be returned to the office of the City Clerk by no later than the Thursday preceding the public hearing.

PLANNING COMMISSION REVIEW AND DECISION: The Edgerton Planning Commission meets in the City Hall on the second Tuesday of every month. The agenda and staff reports will be available prior to the public hearing. The chairperson will open the public hearing for each case to hear presentations by the City staff, the owner or authorized agent, and the audience, respectively. After everyone has had the opportunity to speak, the Planning Commission will close or continue the public hearing to a later date. After the public hearing is closed, discussion will be limited to the Planning Commission and action will be taken in the form of a recommendation for approval or denial to the Governing Body.

PROTEST PERIOD: After the conclusion of the public hearing, a fourteen (14) day protest period begins. During the protest period, property owners within the notification area of the subject property may file a petition indicating their protest to the requested rezoning in the office of the City Clerk. The submission of valid protest petitions from property owners of twenty (20) percent of the land within the notification area of the subject property within the allotted time will require a three-quarter (¾) vote for approval by the Governing Body. Copies of protest petitions may be obtained in the office of the City Clerk.

GOVERNING BODY ACTION: After the protest period has concluded, the application will be placed on an agenda for the Governing Body Action (typically within thirty (30) days after the conclusion of the public hearing). The Governing Body will review the transcript of the public hearing and the recommendation of the Planning Commission and will take action by concurring with or overriding the Planning Commission recommendation, or by returning the request to the Planning Commission.

CHECKLIST

The following items shall be submitted with the rezoning application. All materials shall be submitted by applicant to the City Clerk at least 30 days in advance of a public hearing.

- Title or other suitable proof of ownership to the subject property.
- Legal description of the subject property either in the form of a certificate of survey or a lot and block reference to the official City Map.
- Sketch of the subject property drawn to scale that details the lot lines, existing features or building, drives and adjacent buildings, and the current use of existing buildings.
- Any supporting material as requested by the Zoning Administrator depending on the magnitude of the change and the possibility of detrimental effects on surrounding properties. Supporting materials may include, but are not limited to:
 - Topography at an appropriate scale
 - A Certificate of Survey
 - Environmental assessment
 - Surface water discharge analysis
 - Facilities and utilities suitability analysis
 - An analysis of existing wells, tanks and other sub-structures
 - Traffic and parking analysis
- List of the names and addresses of owners of all property situated within two hundred (200) feet of the property lines of the subject site. See details in instructions
